BRANDON CEMETERY

"In 1884 a group of interested parties held a meeting to arrange for the purchase of an acre of land from John Brandon at a price of \$25.00 to be used as a burying ground. It was known as Brandon Grave Yard but was later changed to the name of Brandon Cemetery."

This is a quote from the Centennial Book of East Wawanosh 1867-1967.

Four trustees were appointed at that time but later, in October 1928, the number was changed to 5.

The first four trustees were Wm. Hopper, Wm. Wray, Thomas S. Brandon and Matthew Brandon.

Apparently one of the first ways to raise money to finance the new venture was a "tea meeting". Matthew Brandon called on a Mrs. McKibbon to solicit subscriptions. She gave him \$5. but Mr. Brandon had not the \$2. change needed. So she received the money from proceeds from the tea meeting. This was Jan 1, 1885.

After appointing Mrs. Wray the first secretary/treasurer the motion was made that: "No plot of 8 x 12 feet shall be sold at a less price than three 'dollars'." Lots 8 x 12 were to be surveyed and marked out on the south side of the grave yard. A 4 foot walk was to be made on every side. Fifty blank deeds were to be purchased to supply those who bought a lot with a deed.

In March 1885 the secretary was to put up notices about the issuing of the deeds.

That year a lot cost \$3.; one half day's labour was worth .50¢; mowing grass for a half day was worth .60¢. By April 5, 1888 a notice was to be put up at the grave yard that all parties were to procure the deed of the lot before burial. They desired to hire a public grave digger. As well, a closed 'bord' fence was to be built in front of the grave yard. The yard was to be levelled and put in proper shape.

Matthew Brandon died before Dec 19, 1888 so George Daley was appointed to replace him.

In the S.E. corner of the cemetery a grave digger's house was built just after May 1908. It was to be of dressed, matched lumber, to be shingled and painted.

Wm. Wray died and was replaced by J.A. Brandon in July 1910. Brandon was to pay all orders of the Board of Trustees.

As a comparison of moneys handled, in 1906 receipts were \$52.50, expenditures \$6.25, balance \$46.25. Balance to date from other years \$42.94. So total balance was \$89.19. By May 1910 the total cash on hand was \$128.19, total expenditures \$57.15 so balance was \$71.04.

Sept 1922 with C.B. Wilkinson as chairman, W.C. Procter and Geo. Daley made a motion to purchase an additional acre from Percy Scardnett for \$200. The deal

braith who had been with the Wingham Cemetery since 1922 and who knew a great deal about Perpetual Care. As a result of this meeting, Perpetual Care was adopted.

New prices for 1943 were as follows: ¼ lot (2 graves) annual \$1., permanent \$20.; ½ lot (4 graves) annual \$1.50, permanent \$35.; 1 lot (8 graves) annual \$2., permanent \$50.; 2 lots (16 graves) annual \$2.50, permanent \$60. Annual notices were to be sent to grave holders. As of April 1944 Perpetual Care funds were to be invested in the 6th Victory Loan Bonds.

Secretary/treasurer received \$20. a year in 1945. A power mower was under discussion in 1947. More lots were surveyed in 1964 and by June 1966 the price of lots had risen to \$8. for a ¼ lot, \$15. for a ½ lot and \$25. for 1 lot.

For many years the meetings had begun with a visit to the cemetery where the tasks ahead were clearly seen. Many times loads of fill had been brought and the ground levelled and seeded. Fences were kept up and painted. In 1968 a work bee was held. This was one of several held in different years.

Ross Anderson was secretary/treasurer and in 1971 was made the official signer of cheques. He was to have access to a safety deposit box for documents. By 1982 the safety deposit box was discarded for a filing system.

The Dept. of Highways was first asked to blacktop the approach to the cemetery in 1965. In 1982 it purchased a strip of new and unused land beside the road.

The Cemetery Inspector appeared in 1976. He wanted the money from the Perpetual Care fund invested with the Public Trustee for Ontario. The two funds, general and Perpetual Care, were steadily increasing.

The subject of buying two more acres was brought up. Discussion arose again in 1977 as to whether to follow the Cemetery Inspector's request or not. Finally on Dec 16, 1980 it was decided to turn Brandon Cemetery Perpetual Care fund to the Public Trustee for investment. The Canadian Imperial Bank of Commerce, Wingham, was authorized to look after the transfer.

June 10, 1978 all bases of monuments were to be installed under supervision of the caretaker.

Buying 2 acres from Norm Cook was discussed in 1978. Severance of the 2 acres took place in Sept 1978 and on April 16, 1979 the sale agreement was made. Norman Cook was to receive \$3500. Any extra expenses in connection with the transaction were carried by the Cemetery Board.

A new deed form was drawn up in 1980 with deed and Perpetual Care receipt on the front and rules and regulations on the back. The Cemetery Inspector approved same. Since that time the rules and regulations have been put on separate sheets.

In addition to the trustees already named are the following: Herb Wheeler, Alex Porterfield, Wes Cook, Ken Wheeler, Garner Nicholson.
