BRUSSELS CEMETERY

LOT 30 CON. 7 MORRIS TOWNSHIP

3232

Quoting from the Seaforth Expositor of Friday, September 10, 1869, an article by Thomas Wydd, we read, "Ainlayville is not a large place nor does it boast of antiquity. Its history like most Canadian villages, is short, rapid and recent; but it has a cemetery about an acre in extent which to some degree, may be said to contain the historical records of the village in the monumental inscriptions....."

"On entering the cemetery the first tombstone that meets the eye informs the reader that beneath lie the mortal remains of the founder of the village, William Ainley, hence its name - Ainleyville. The age and date of death of the founder follows the above announcement, but of what nation William Ainley belonged, the story chronicled, saith not .....

"A few short headposts, painted black with numbers in white are all that is left to mark the graves of a few early pioneers of this locality, whose ashes repose here in peace....."

"An entrance gate would be an improvement over the loose unsightly stile and a few gravel walks are desirable to prevent the graves being trodden down. Too, planting of ornamental trees would be preferable to the present."

On the 9th of May 1873 Robert Burgess received the patent from the crown for the 100 acres comprising N $\frac{1}{2}$  Lot 30 Con. 7 Morris. As early as 1861 this was used as a burial ground by the people of Morris and Grey Townships. Negotiations began in Feb. 1873 to purchase from Robert Burgess four and three quarter acres. Now it is thirteen acres.

William Ainley, a native of Yorkshire England was the first settler of Ainlayville. He chose the site in 1850 and by 1851 had cleared some land and built a small dwelling on the Grey side of the road. His wife and family were brought by way of water to Goderich from Port Hope. Then there was a thirty mile walk through the woods. He brought not only his wife and family, but a friend, Thomas Halliday, also came and settled on the Morris side.

Two years later almost 30 families were living in Ainlayville, later Brussels.

William Ainlay died in 1862. His wife Eleanor Watson Ainlay was a very fine lady, a staunch Methodist who really began the strong Methodist background of the village of Brussels.

Brussels Cemetery was originally called The New Connexion Burial Ground and was under the care of the New Connexion Methodist Church in Brussels from 1865.

On July 6, 1875, the Rev. E. Stafford of Brussels Methodist Church, and the Graveyard Trustee Board, John Angus, Joseph Cligg, Ben Gerry, W.N. McCracken, S.B. Morris, Francis McCutcheon and Richard Polard, bought the first additional land from Mrs. Margaret Burgess for \$200 for one acre. There was a stipulation that each additional acre would cost \$100 but must be bought in the coming year.

Edward Vercue was appointed salesman and sexton of the Cemetery. For every lot he sold, he was to receive 50¢ for a large lot and 25¢ for a small (single) grave.

Lots at this time were sold for \$8 and a single grave was \$1.50.

The Board, even in 1875, were considering selling to the Corporation of Brussels. However they would need the consent of conference so decided not to even consider it further.

1884 saw a uniting of the two Methodist churches - New Connexion and Wesleyan to form the nucleus of the United Church by 1926. The Wesleyan church was built in 1876 and is still in use.

In 1906 the Board decided to draw up rules for the cemetery. The committee in charge was made up of Ben Gerry, R. Leatherdale and W.H. Kerr.

Apparently many bought lots, moved away and left the lots unused or sold. So a new map and also date book had to be acquired.

June 1925 brought Church Union and the property belonged to Brussels United Church until 1980.

April 1933 R.J. Hoover, P. Mitchell and P.A. McArthur were named to the Cemetery Committee.

Permanent Care for half lots was set at \$35 in June 1934.

Robert Dark had been caretaker. He was replaced by Percy Mitchell at \$20 a week.

Doris McDonald was engaged as Secretary-Treas. at \$50 a year.

Rules were drafted by the committee. Permanent Upkeep was \$5 a single grave. By 1938 a new plan was devised. It was \$55 cash or \$60 in 2 years; \$65 in 5 years.

With a team a man could get 45¢ an hour but without he was just worth 25¢.

In the next few years several persons received Permanent Care for work done by themselves where they hadn't received pay.

1940 a power mower was purchased as well as a larger gate at the north entrance.

Elmer Bell was appointed to sign Perpetual Care agreements.

Permanent Care could be paid \$10 down and \$10 for the next six months by 1941.

All earth which it was possible to put back on top of the grave was to be so placed after the funeral.

Persons having unoccupied graves could sell them back to the Bd if they took Permanent Care for the occupied graves.

Adrian McTaggart was hired as caretaker and Secretary Treasurer by 1942. In 1953 the Perpetual Care fund had \$20,000 in bonds.

The grade in front of the cemetery was requiring cutting down by 1955. The caretaker could have the road opened into the cemetery with the snow plow when necessary.

In 1957 the fence needed rebuilding; south gate had to be widened; the Board decided to ask Morris and Grey Councils for financial aid in building a mausoleum.

Many times over the years soil was brought in to level the ground. 1959 was a year when they brought in soil and also asked other ministers if their congregations would join to make it an inter-denominational cemetery.

The Provincial Dept. of Health asked for a set of plans, rules and regulations and tariff rates in 1961.

Next year, 1962, was the year investigation began to find out design and cost of chapels and storage vaults.

The Cemetery was surveyed by B.M. Ross QLS; and a new plan made for \$423.50.

New plan, rules and regulations and tariff rates were approved in 1963.

A card index was begun by Montherth and Montherth of Stratford.

D.A. Rann and J. Mitchell were to be present whenever the new safety deposit box at the Bank of Commerce Brussels was opened. D.A. Rann and R. Cousins were to secure information on chapels and report back. They also were to visit the Village council and ask for a grant. J. Wheeler and R. Pearson were to visit Morris and Grey Councils for a similar request.

May 1964, the chapel site was looked at. The estimated cost was to be \$6000. By Aug. tenders were called. An ad in the Brussels Post said all donations would be gratefully accepted.

Tenders opened in Oct. 1964. The B. Ten Pas tender for \$5860 was accepted. He was to start work before June 1, 1965 and be completed by Aug. 31, 1965. A wiring and heating contract for \$488.50 was accepted March 1966.

No more burials between Dec. 1 and March 31.

The big opening was planned on May 12, 1966. B. Ten Pas was to make a cross and lecturn for it. The dedication was set for June 12, 1966.

BRUSSELS CEMETERY

Surveying was to be done on the N side of south road and the line fence at the NW boundary. The County Engineer was to be contracted as to drainage.

Majestic W. I. requested to erect a cairn or memorial at the grave of William Ainlay in May 1967. The old monument was to be incorporated in the new. The Cemetery Bd. agreed to make the foundation with no cost to the W.I.

Car stops along the roads to prevent erosion of the top soil were bought several years.

Dept. of Commercial and Consumer's Affairs took over the Cemeteries Branch and were introduced to the Brussels Cemetery Board by May 1972. A few changes followed: Perpetual Care Fund was to be in the hands of a Public Trustee i.e. a trust Co. Accounts were to be audited by surrogate court. Ontario Public Trustee demands they appoint a solicitor. A. Mills of Crawford, Mills was appointed solicitor. Victoria and Grey were trustees to look after Perpetual Care funds.

Elmer McQuarrie Est. had a bequest of \$4211.85 for the cemetery in Dec. 1972.

A permanent type vault must be used or a \$50 fine by 1973.

14" x 42" foundation for 2 or 3 grave spaces but for 1 grave a flat marker only was permitted.

A trailer costing \$600.00 was to be purchased for transplanting cement vaults to the gravesides. Fireproof cabinet was purchased in 1975. In 1976 the Cemetery Bd had 1415 graves to sell; 1104 plots with perpetual care; 777 plots never had perpetual care.

Roy Cousins who served many years resigned in 1979.

That same year the Bd. talked of asking the village to take over the Cemetery. First it had to pass Annual meeting then the Presbytery.

March 1980 the Bd. met the Council. Norman Hoover gave a history of the Cemetery. Then the group, Jim Cardiff, George Cousins and Norman Hoover answered Council's questions. Council agreed when everything had been finalized by Presbytery to take over. The Congregation passed it Sept. 15, 1980. The Presbytery passed it Sept. 23, 1980.

The cost of dying has gone up as far as cemeteries are concerned. Here are a few examples from Brussels Cemetery.

Council took over Sept. 14, 1981.

A municipal cemetery Bd. was established. This consisted of Jack Bryans and Doug Heminway for three year term. James Bowman and Wayne Todd for two years. James Cardiff for one year. Ruth Sauoe was hired as Sec. Treas. Geo. Cousins asked to continue as Manager of Brussels Cemetery.

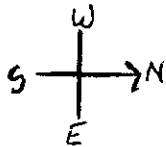

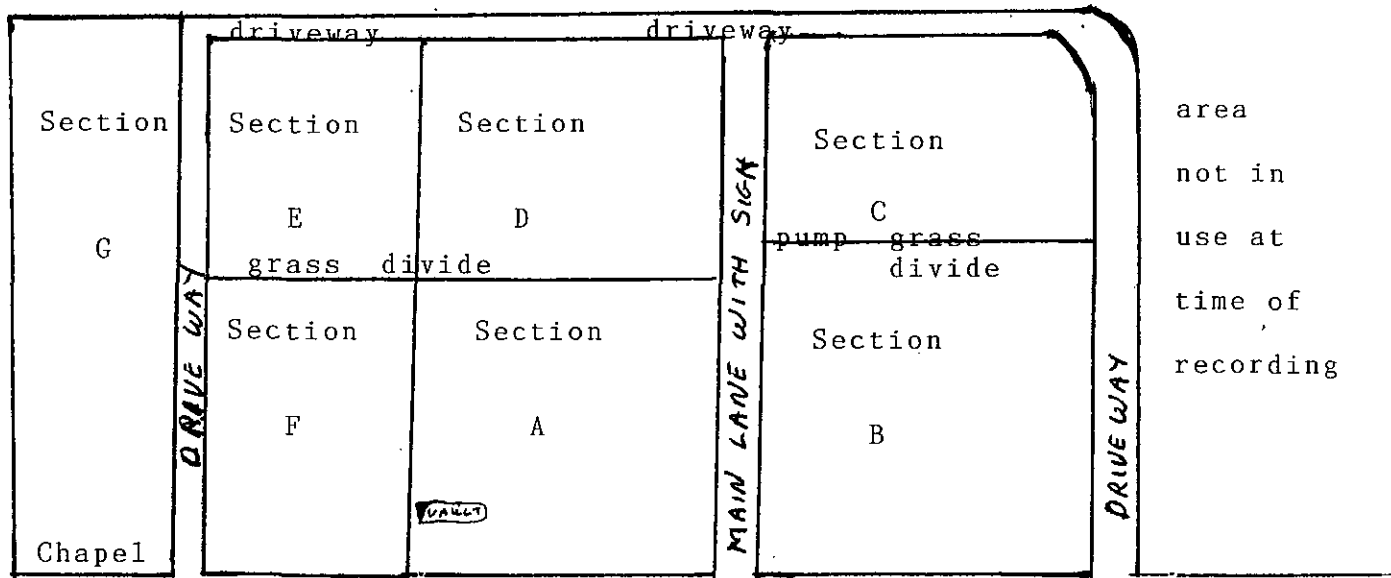

Nov. 1981 rates went up a great deal. Grave and grave opening raised from \$40 to \$40. For an infant \$40, child \$100, cremated remains \$50, Storage in mausoleum \$30. Vaults \$225, vault liner \$200, footings to \$25 more than invoiced price. Disinterment \$150.

Jan. 1, 1982 base of monument to each be to the bottom of the grave. Vault obligatory. Monuments at least 32" from another monument. A Brussels Cemetery Memorial Fund to be established, cards left at the funeral home. All concrete vaults to be bought from Cemetery Board.. Sale price of liner \$175. Indigent burials \$145, 20 graves with markers set aside for these.

Some 72 stones were straightened by Mr. Don Jolley in 1983. Horticultural Society planted bulbs and cared for five flower beds.

Opening graves space \$170, sale of plots \$150.

Brussels Cemetery has seen many years. If the writer of the Seaforth Expositor Article were to return, I'm sure he would feel that the village people from 1869 to 1985 have made big improvements and shown what loving care can accomplish.

BARKER  
Died 4, Apr. 1869  
Aged 2 Y'rs. 23 D'ys.  
There's a fresh little mound 'neath the  
willow.  
Where at evening I wander and weep.  
There's a dear vacant spot on my pillow.  
Where a sweet little face face used to  
sleep.  
There were pretty dark eyes but they  
slumber.  
In silence beneath the dark mould.  
And the little pet lamb of our (number).  
Has gone to the heavenly fold.
