- c. lot size and the dimension of property lines and setbacks to any existing or proposed buildings; and
- d. existing and proposed finished ground levels.

4.1.7. A surveyor's certificate, prepared by a registered Ontario Land Surveyor, when required by the Chief Building Official, shall be submitted and approved prior to commencement of the framing or above grade portion, and shall show the location of the foundation or foundations on the lot. Elevations for the top of foundation(s) may be required.

4.1.8. On completion of the construction of a building, part of a building, or lot grading and drainage the Chief Building Official may require a set of as constructed plans including a plan of survey prepared and certified by an Ontario Land Surveyor showing the location of the building with a certificate of lot grading compliance.

4.1.9. Functional Servicing Report, Stormwater Management and other documentation as may be required by the Chief Building Official to demonstrate compliance with the Municipality of Morris Turnberry Municipal Servicing Standard.

4.2. ALTERNATIVE SOLUTIONS

4.2.1. Where a proposed material, system or building design differs from the "acceptable solution" in Division B of the Ontario Building Code, then it is treated as an "alternative solution". The following information shall be provided to the Chief Building Official in support of the alternative solution:

- a. a description of the proposed material, system or building design for which an alternative solution is requested;
- b. documentation that the alternative solution will achieve the level of performance required by the applicable acceptable solutions in Division B of the Ontario Building Code in respect to the objectives and the functional statements attributed to the applicable acceptable solutions in Ministry of Municipal Affairs Supplementary Standard SA-1, as stipulated in Division. A, 1.2.1.1(1)(b);
- c. documentation described in Division. C, 2.1.1.1. and such other information or documentation as may be required by the Chief Building Official; and
- d. each application for consideration of an alternative solution shall be accompanied by a fee as stipulated in the Municipality's Fees and Charges By-law.

4.3. REVISIONS TO PERMIT

4.3.1. Where there is material or system change during construction and/or to the plans, specifications, documents, or other information on the basis of which a permit was issued, the owner or authorized agent is required under Section 8(12) of the Act to notify the Chief Building Official and shall submit the following:

- a. use the prescribed form; and
- b. revised plans and specifications illustrating the changes, including all supporting documentation as may be requested by the Chief Building Official.

4.4. DISCRETION OF CHIEF BUILDING OFFICIAL

4.4.1. The Chief Building Official may waive the requirements of Part 4 of this By-law or Schedule "B" attached to this By-law with respect to any particular applications. Where the Chief Building Official exercises his/her discretion as set out in this section, the requirements of this By-law are deemed to be modified accordingly.

4.5. SEWAGE SYSTEM PERMITS

4.5.1. For every application for a sewage permit that is submitted to the Chief Building Official, the applicant shall:

- a. use the provincial application form, "Application for a Permit to Construct or Demolish;

5. PAYMENT OF FEES

Fees for a required permit shall be as set out in the Municipalities Fees and Charges By-law and are due and payable upon submission of an application for a permit. Where application is made for a conditional permit, fees shall be paid for the complete project.

Where the fees payable in respect of an application for a construction or demolition permit issued under subsection 8(1) of the Act or a conditional permit issued under subsection 8(3) of the Act are based on a floor area, floor area shall mean the total floor space of all storeys above grade (or below grade for an underground home) measured as the horizontal area between the exterior walls of the building.

Where fees payable in respect of an application for a change of use permit issued under subsection 10(1) of the Act are based on a floor area, floor area shall mean the total floor space of all storeys subject to the change of use.

The Chief Building Official may, where a proposed building does not adhere to any of the above or where there is dispute, calculate the estimated value at his/her discretion.

6. REFUNDS

In the case of withdrawal of an application or the abandonment of all or a portion of the work or the non-commencement of any project, the Chief Building Official shall determine the amount of paid permit fees that may be refunded to the applicant, if any, in accordance with the Schedule below:

STATUS OF APPLICATION	PERCENTAGE OF FEE ELIGIBLE FOR REFUND
Application filed, No processing or Review of plans processed	90%
Application filed. Plans reviewed and Permit Issued	50%
Additional deduction for each field Inspection performed	10%
Permits issued valued at \$100.00 or less	0%

No refund shall be given unless a written request has been made by the owner or authorized agent, along with the written consent of the owner, and unless the permit is returned to the Chief Building Official for cancellation.

No refund shall be made where the Chief Building Official has revoked a permit under Subsection 8 (10) of the Act.

Where the holder of a permit has commenced construction and for any reason the project is abandoned, no refund shall be made, the existing construction shall be removed or demolished, the construction site shall be returned to a safe and cleared condition and the Permit shall be cancelled.

7. NOTICE REQUIREMENTS

Division. C Sentence 1.3.5.1 (2) of the Ontario Building Code requires that notification to the Chief Building Official be given at key stages of construction and requires that the Municipality undertake inspections at these stages of construction. A person to whom a permit is issued will be required to give notice of the readiness for inspection to the Chief Building Official or Registered Code Agency. Municipalities will be required to undertake on-site inspections of construction at each of these stages. Municipalities may pass a by-law under clause 7(1)(e) of the Act prescribing additional notification stages.

8. TIME FRAME FOR MANDATORY INSPECTION AFTER NOTICE IS GIVEN

Under Division. C Sentence 1.3.5.3. (1) of the Ontario Building Code, after a mandatory inspection notice has been given, an inspector or a Registered Code Agency, shall undertake a site inspection not later than two days after the notice is given to which the notice relates. In the case of site inspections of sewage systems, the Ontario Building Code Division. C Sentence 1.3.5.3 (2) requires the Municipality to undertake an inspection no later than five days to which the notice relates.

The time periods exclude Saturdays, holidays and all other days when the offices of the principal authority are not open for the transactions of business with the public. The time period of the inspection notice shall begin on the day following the day notice was given.

9. PERMIT REVOCATION, DEFERRAL OF REVOCATION AND TRANSFER

9.1. Revocation of Permit:

9.1.1. Prior to revoking a Permit under Section 8 (10) (b) or (c) of the Act, the Chief Official shall give written notice of intention to revoke to the permit holder at the last known address and, if on the expiration of thirty days from the date of such notice the ground for revocation continues to exist, subject to Subsection (2), the permit shall be revoked without further notice and all submitted plans and other information may be disposed of or, at the request of the permit holder, returned as directed.

- a. Notification under Subsection (1) (a) shall be served either personally or by registered mail. Where notification is by registered mail, it shall be deemed to have been served on the third business day after the date of mailing.

9.2. Deferral of revocation:

9.2.1. On receipt of a notice of intention to revoke a Permit, a permit holder may request in writing within thirty days from the date thereof, the Chief Building Official to defer the revocation of such Permit.

9.2.2. A request for deferral shall set out the reasons why the Permit should not be revoked and the date by which the work will be commenced or resumed.

9.2.3. Having considered the circumstances of the request and having determined that there have been no changes to the Ontario Building Code and any other applicable law which would have prevented the issuance of the original Permit, the Chief Building Official may allow a deferral to a prescribed date and shall notify the permit holder.

9.3. Transfer of Permit

9.3.1. Permits are transferable only upon the new owner completing a Permit application form pursuant to the requirements of Section 4.

9.3.2. Only an Administration fee as set out in the Municipality's Fees and Charges By-law shall be payable on a transfer by the new owner who shall thenceforth be the permit holder for the purpose of the Act and the Ontario Building Code.

9.3.3. AS CONSTRUCTED PLANS

The Chief Building Official may require that a set of plans of a building or any class of buildings as constructed be filed with the Chief Building Official on completion of construction under such conditions as may be prescribed in the Ontario Building Code.

10. PENALTY

Under clause 36 (a) (b) (c) of the Act, contravention of a by-law passed under the Act constitutes an offence. Convictions of an offence may be subject to penalties under sections 36 (3)-(5) of the Act.

11. CODE OF CONDUCT

A code of conduct is applicable to the Chief Building Official and Inspectors in accordance with 7.1-(1) of the Act.

A complaint as such shall be in writing, detailing the concerns and addressed to the Chief Administrative Officer of the Municipality of Morris Turnberry in accordance with the Municipality of Morris Turnberry employee guidelines.

12. REGISTERED CODE AGENCY

If the Municipality directly appoints a registered code agency under Section 4.1 of the Act, an agreement must be completed.

The agreement with the registered code agency authorizes the agency to perform functions specified in the agreement. The agreements shall be in writing and as outlined in the Ontario Building Code.

13. CONSTRUCTION FENCES

The person to whom a permit is issued in respect of construction or demolition which will take place at an urban construction site shall erect or cause to be erected and maintained, a fence enclosing the urban construction site in accordance with the provisions of this By-law.

Where there is fencing on or adjoining an urban construction site erected prior to the application for building or demolition permit in respect of that site, such fencing shall be deemed to be in compliance with this By-Law provided it is extended along the perimeter of the urban construction site as determined by the Chief Building Official and the extended fencing is erected in accordance with the provisions of this By-law.

Notwithstanding the provisions of Section 8.-(1) and Section 8.-(2), of the Act, to the contrary, the requirements of this By-law do not apply where a permit has been issued prior to the passing of this By-law.

The height of every fence shall be minimum of 1.2 metres and a maximum of 1.8 metres, to be measured from the highest adjacent ground.
The Chief Building Official is authorized to grant an exemption from the requirement in this subsection to erect a fence if the Chief Building Official is satisfied that conditions at a site would not present a particular hazard to the public.

14. VALIDITY

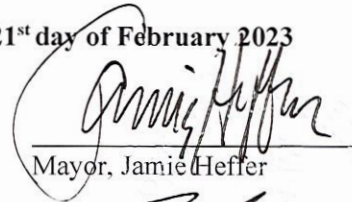

Should any clause or provision of this By-law be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this By-law as a whole or any part thereof, other than the part so declared to be invalid.

15. REPEAL OF BY-LAWS

By-law # 120-2017 is hereby repealed in its entirety.

Read a FIRST and SECOND time this 21st day of February 2023
