

## **DRINKING WATER QUALITY MANAGEMENT STANDARD POLICY STATEMENT:**

“The Municipality of Morris-Turnberry (Owner) together with Veolia Water Canada (Operating Authority) are responsible for the groundwater treatment and supply system serving the Village of Belgrave. Together we are committed to ensuring a consistent supply of safe, high quality drinking water to the consumers by meeting or exceeding all applicable regulatory standards and complying with applicable legislation and regulation.

The quality is ensured by the implementation, continual improvement and updating of a Management System comprised of policies, procedures, instructions, and forms that demonstrate and support:

- Risk-based treatment process and distribution evaluation;
- Staff competency, which includes adequate training and review;
- Open, regular communications with stakeholders;
- Workplace safety, and;
- Appropriate contingency/incident response measures.

The Municipality of Morris-Turnberry (Owners) together with **Veolia Water Canada** (Operating Authority) are responsible for understanding, implementing, maintaining and contributing to the continual improvement of the Drinking Water Quality Management System.”
