DATE: March 3, 2026

SUBJECT: 2026 Contract for Hot Mix Paving on Clyde Line, South Limit Bluevale to Browntown Road – MT 26-113

RECOMMENDATION

That the Council of the Municipality of Morris-Turnberry accept the tender of Lavis Contracting Company Ltd. for Contract MT 26-113 Hot Mix Paving for the estimated value of \$466,622.50 (based on estimated quantities and excluding HST and contingency) and authorize the Mayor and CAO / Clerk to execute the tender and all other required documents.

*Moved by
Seconded by*

THAT the Council of the Municipality of Morris-Turnberry

BACKGROUND

The Council of the Municipality of Morris-Turnberry included \$600,000 in the proposed 2026 budget for asphalt paving on Clyde Line from the South Limit of Bluevale to Browntown Road.

The tender closed at 12:00 Noon on February 26, 2026, at the Municipality of Morris-Turnberry office. Nine contractors picked up tenders and 4 submitted completed tender forms for the Tender.

The scope of work includes paving approximately 4.1km on Clyde Line south of Bluevale.

COMMENTS

Tenders were open in the presence of Municipality of Morris-Turnberry Staff and 3 representatives from the Contractors.

The following table summarizes the tender prices received July 17th, 2025:

	Contractor	Total Tender Price	Over Low Bid
1	Lavis Contracting Company Ltd.	\$466,622.50	\$0.00
2	Steed and Evans	\$510,150.00	\$43,527.50
3	Cox Construction Ltd.	\$541,464.00	\$74,8414.50
4	Armstrong Paving and Materials Group Ltd.	\$597,110.00	\$130,487.50
	Budget Estimate	\$600,000.00	\$133,377.50

Above prices do not include HST

Lavis Contracting Company Ltd. has completed paving projects in the past for the Municipality of Morris-Turnberry. They have also completed similar work for many municipalities in the area and they have the ability to complete the work satisfactorily.

ATTACHMENTS

"None"

BUDGET

The Municipality of Morris-Turnberry included \$600,000 for this paving project in the Proposed 2026 Budget. The overall cost including effective rate of HST (1.76%) to complete the project is estimated at \$474,835.06. This project is expected to be completed more than \$100,000 below budget.

Respectfully submitted,

Mike Alcock,
Director of Public Works

MUNICIPALITY OF MORRIS-TURNBERRY

REPORT TO COUNCIL

TO: Mayor and Council

PREPARED BY: Mike Alcock, Director of Public Works

DATE: February 26, 2026

SUBJECT: RFQ MT 26-111 – Granular “M” Supply and Place - Maintenance Gravel

RECOMMENDATION

That the Council of the Municipality of Morris-Turnberry accept the quotation of:

Joe Kerr Ltd. for RFQ MT 26-111 – Granular “M” Supply and Place in the South Half of the Geographic Township of Turnberry and the North half or the Geographic Township of Morris, in the amount of \$456,950.00 (excluding HST).

and authorize the Mayor and CAO Clerk to execute the tender and all other required documents.

EXECUTIVE SUMMARY:

The Council of the Municipality of Morris-Turnberry authorized proceeding to tender for Maintenance Gravel, which is included in the proposed 2026 Public Works Budget, prior to budget approval. The draft 2026 Public Works budget includes \$520,000 for Maintenance Gravel.

The tender closed at 12:00 PM on February 26, 2026 at the Municipality of Morris-Turnberry office. Six Contractors picked up tenders and 2 submitted a tender for the RFQ MT 26-111.

The Contractor is able to meet all of the required specifications.

COMMENTS:

Maintenance gravel is applied to loose top roads every second year in the quantities required to maintain the road surface.

RFQ MT 26-111 applies to 36,100 tonnes of gravel that will be applied to loose top roads in the South half of the Geographic Township of Turnberry and the north half of the Geographic Township of Morris.

The following table summarizes the tender prices received February 26, 2026 for RFQ MT 26-111:

	Contractor	Tender Price	Unit Price per tonne	Total Over Low Bid	% over (under) 2026 low bid
1.	Joe Kerr Ltd.	\$456,950	\$12.63 (avg)	\$0.00	
2.	Johnston Bros. Bothwell Ltd.	\$524,172	\$14.52 (avg)	\$47,595	15.0%
	2025 Gravel Tender Price		\$11.93		(5.5%)
	2024 Gravel Tender Price		\$13.00		2.9%

Price Excluding HST

Joe Kerr Ltd. has successfully Supplied and placed maintenance gravel on the Municipality of Morris-Turnberry roads in the past.

MUNICIPALITY OF MORRIS-TURNBERRY REPORT TO COUNCIL

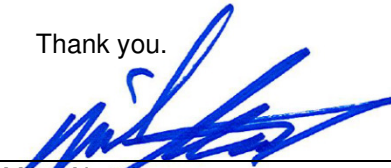

In 2024 when the same area of the Municipality received maintenance gravel, the cost was \$13.00 per tonne (excluding HST). This represents a 2.9% decrease in the price from 2 years ago, but a 5.5% increase over 2025.

The proposed pit for supplying gravel is the Thornton Pit Lot 2, Con. 10 Howick.

Budget:

The Municipality of Morris-Turnberry included \$520,000 for Maintenance Gravel Resurfacing in the proposed 2026 Public Works budget. The budget impact for the supply and delivery of Maintenance Gravel is estimated to be \$464,992.30 (including 1.76% HST) based on estimated quantities.

Thank you.

January Training Report

Week	Training Focus	Key Activities
1	Equipment Checks and Station Duties	Routine inspections and preventative maintenance to ensure all apparatus, tools, and gear were in top condition.
2	Back to Basics – RIT Classroom Training	Classroom-based Rapid Intervention Team (RIT) review focusing on firefighter survival principles, MAYDAY procedures, air management, LUNAR reporting, and firefighter accountability. Members reviewed case studies of firefighter line-of-duty deaths to reinforce the importance of disciplined RIT deployment. Equipment familiarization included RIT bag components, search rope systems, and air supply conversion methods. Emphasis was placed on communication, command integration, and understanding RIT responsibilities within the Incident Management System (IMS).
3	Practical RIT Skills – Air Management and IDLH Operations	Hands-on floor training in a simulated IDLH environment. Members practiced SCBA emergency procedures including mask change-outs, regulator swaps, low-air scenarios, and emergency air trans fill conversions. Crews completed firefighter drags, while wearing full PPE and operating on air. Training reinforced teamwork, situational awareness, and maintaining composure under stress conditions. Focus remained on speed balanced with safety and air discipline.
4	Advanced RIT Deployment – Integrated Team Operations	Full scenario-based RIT evolution combining all previous weeks of training. Members deployed as a coordinated RIT team utilizing the RIT bag, search ropes, thermal imaging cameras, and forcible entry tools. Scenarios included downed firefighter removal, entanglement simulations, and air depletion rescues. Emphasis was placed on command communication, task delegation, role clarity within the RIT team, and maintaining firefighter accountability throughout the evolution. Training concluded with a structured debrief to reinforce lessons learned and continuous improvement.

Training Overview

January training focused heavily on firefighter safety, operational readiness, and strengthening Rapid Intervention Team capability. RIT proficiency is critical in high-risk fireground environments and directly supports firefighter survivability.

The month progressively built from equipment readiness and classroom fundamentals to realistic, stress-induced practical scenarios. This layered approach ensures competency, confidence, and operational effectiveness during real-world incidents.

January 2026 Budget Update

At the start of the 2026 fiscal year, the Fire Department of North Huron continues to operate within its approved operating and capital budget framework.

Capital planning for 2026 includes the scheduled replacement of Squad 5 and the replacement of the department's SCBA air compressor and filling station. These purchases are part of the fire departments long-term asset management strategy and lifecycle replacement program.

These capital items are intended to maintain operational readiness, ensure firefighter safety, and support continued delivery of effective fire protection services under the Fire Protection Agreement.

All procurements are being completed in accordance with municipal purchasing policies and applicable legislation.

Equipment & Maintenance Updates

All frontline fire apparatus completed their annual safety inspections in accordance with Ministry of Transportation requirements. Preventative maintenance and any identified deficiencies were addressed to ensure continued operational readiness and compliance.

Regular apparatus checks, pump testing verification, SCBA inspections, and equipment servicing continue to be completed by members to maintain reliability and response capability.

Fire Chiefs' Update

Huron County Fire Chiefs continue to meet on a monthly basis, maintaining strong collaboration and open communication across all fire departments within the County. These meetings provide an important forum for discussing operational matters, sharing best practices, coordinating joint training initiatives, and ensuring consistent service delivery standards across municipal boundaries.

The Huron County Firefighter Recruit Program has commenced again for 2026. This collaborative training initiative strengthens regional partnerships and supports standardized firefighter development across participating departments. Continued participation ensures that new recruits receive consistent, high-quality foundational training aligned with provincial standards.

During the reporting period, Chief Chad Kregar participated in Provincial Emergency Operations Centre (PEOC) and Environment and Climate Change Canada (ECCC) emergency weather briefings related to winter storm events. These briefings provided situational awareness, forecast updates, and preparedness guidance to support proactive operational planning.

Ongoing communication was maintained with Huron County Emergency Management to ensure alignment in response planning and readiness during winter weather events. This coordination supports a unified and efficient approach to emergency management across the region.

Closing Remarks

As we move further into 2026, I would like to acknowledge the continued commitment and professionalism demonstrated by the members of the Fire Department of North Huron. The dedication shown by our firefighters through training, equipment maintenance, and emergency response reflects a strong culture of service, accountability, and pride within the department.

I am proud of the progress we are making in strengthening our operational readiness and responsibly advancing our long term sustainability. We continue to focus on firefighter safety, consistent training, and maintaining reliable equipment to ensure dependable service delivery.

It remains my priority as Fire Chief to support our members and ensure we continue building a professional, well trained, and well equipped department that our community can rely on.

9:25	Ice Rentals & Installation - <i>Warren Weber</i>	Committee Report	Doing well, had some cancellations due to storms. About the same as last year.
9:35	Belmore Curling - <i>Dave Eadie</i>	Committee Report	Good turn out, up and running. Have a Monday morning draw now in addition to the Tuesday draws. Glad to hear the dehumidifier is on it's way. Look back at Eddie Hoffman donations and members have requested that go back to curling club. Jenn to look into total donations received in his name.
9:45	Belmore Figure Skating - <i>Heidi Dupuis, Andrea Warwick</i>	Committee Report	Status quo.
9:55	South Bruce - <i>Mark Ireland</i>	Committee Report	Westario being sold and with that a significant amount of dollars will be coming to South Bruce as a shareholder. Customers have been told they should not see a change in service. Municipal drains can be a challenge and costly. A recent drain issue has been a costly lesson in South Bruce. Mark shared costs and noted numbers are public record. Mark reminding the public to keep an eye on what your council is doing.
10:00	Morris-Turnberry - <i>Jamie McCallum</i>	Committee Report	All quiet.
10:05	Howick - <i>Marvin Grimes</i>	Committee Report	Tomorrow budget process starts. Will question the recycling at that time. Wish everyone a merry Christmas and happy new year.
10:10	Communication - <i>Lindsay Underwood</i>	Committee Report	NA

10:15	Belmore Chamber of Commerce - <i>Lorne Underwood / Chamber Member</i>	Committee Report	AGM March 6. Treasurers to get information in to Tom Inglis. Tickets are \$30 (meal and membership included). Gord Lang is speaking about the plowing match. No invoice for header yet. Jeremy mentioned that company ran out of time to do finishing of the job and complete it properly; we may see an invoice in the spring once everything is complete.

Good News

Maitland River ES Community Engagement

Vice Chair Patricia Smith was pleased to share that Maitland River Elementary School has a new initiative called Maitland Munchies Team Crockpot where every two weeks, the group selects a 'family friendly recipe', purchases the ingredients and packs them into a reusable school embossed bag to send home with families for the weekend. The hope is that students help cook these easy, healthy and delicious meals. She also reported that the school's Kindness Project for February was selling 'Candy Grams'. The funds from the sales are going towards purchasing fabric for each grade to make a plush 'tie' blanket that will be donated to Ronald McDonald House charities. Way to go!

SDSS Students Partnering on new Feature Section in the Stratford Times

Trustee Deepika Mishra highlighted a new feature in the Stratford Times featuring Stratford District SS school English students. The Black and Gold Edition, published for the first time on January 30, will be featured in the last edition of every month. The content is exclusively created by SDSS student writers and is a partnership between the Stratford Times staff and Department Head of English Laurie Craig. A great learning opportunity for future writers/reporters! Read the feature in the [Stratford Times](#) (pages 14-15).

Highlights from the Pathways Team

Superintendent Paul Langis shared exciting opportunities from the Pathways team. First, grade 7/8 students from 3 schools have been designing and creating gnocchi boards and then preparing and tasting fresh pasta in a hands-on culinary session. The culinary portion is led by Chef Nathan Brown of SFK – Food & Culinary Consulting.

Over 440 grade 12 students are on track to complete their Specialist High Skills Major (SHSM) requirements in June 2026, including new registrations this semester. Goderich District CI SHSM and science students visited the University of Waterloo for an Anatomy 101 workshop, exploring muscles, bones, ligaments, heart valves, and more while gaining insight into human biology and UW labs. FE Madill SS Health & Wellness students visited Wilfrid Laurier University, Gina's College, and Waterloo Cosmoprof for Reach Ahead activities. Stratford District SS Transportation students attended the Canadian International Auto Show in Toronto, exploring automotive innovation and career pathways. Hospitality and Health & Wellness students from five AMDSB schools will partner with United Way Perth-Huron and cook budget-friendly meals with Chef Nathan Brown.

Finally, the team was pleased to host 29 members to the first of two Pathways Advisory Committee meetings on Wednesday, January 28. This January meeting was held in person over lunch and included a special presentation from Dr. Graham Shantz as he shared an overview of the ongoing work to shape and define the Board's Strategic Plan and committee members were able to provide feedback.

School Showcase

Communications Manager Chera Longston highlighted **Elma Township Public School**, located in Atwood (Trustee Nancy Rothwell), which serves approximately 370 elementary students (grades K to 8). Its progression school is Listowel District SS. The current building opened in 1967 and is led by Principal Kate Lusk and Vice Principal Vanessa Beringer under the supervision of Superintendent Jane Morris.

Highlights from Elma include:

- **Celebration Days and Connection to Local Community:** Elma students celebrate a number of events and days that bring everyone together. They are very passionate about Terry Fox day as they raise funds for cancer research, learn about the impact of residential schools on Orange Shirt Day and celebrate Remembrance Day each year with an assembly that welcomes many community members. In addition, the school has a very close relationship with North Perth OPP and regularly welcomes officers who present to students on a number of safety and community service related topics.
- **Outdoor Learning:** Elma has an expansive yard that includes not just an outdoor classroom, but an actual Nature Centre! They also enjoy fabulous playgrounds, swings, several soccer fields and a full track! During the snowy weather, students use snow shoes to keep things lively through the long months of winter!
- **Student Voice and Leadership:** Elma has a strong focus on Student Voice which provides opportunities for students to participate in cross-grade activities to encourage collaboration and partnership. Their Student Parliament brings joy and special events throughout the year including a recent food drive for the Monkton Foodbank.

Days of Significance Wrap-Up (February)

Student Trustee Update

Student Trustee Julia Havenga reported that the student senate is moving forward with school-based bake sales to raise money for their equity initiative. She also explained that they are finalizing the details for a mental health social media campaign that will launch in the spring. It will focus on existing support available to students and encourage students to reach out for support when needed in order to reduce the stigma.

CORPORATION OF THE MUNICIPALITY OF MORRIS-TURNBERRY

BY-LAW NO. 10-2026

Being a by-law to delegate certain authorities to the CAO/Clerk of the Period of August 21st, 2026, to November 15, 2026. (Restricted Acts/Lame Duck Period)

WHEREAS Section 275 of the *Municipal Act, 2001*, c. 25 as amended, restricts certain actions that a Council may take after Nomination Day (August 21, 2026) and after Voting Day (October 26, 2026) in the event that it is determined by the Municipal Clerk with certainty that less than 75% of the current members of Council will be returning to sit on the new Council;

AND WHEREAS Section 275 (3) of the *Municipal Act, 2001* c. 25 restricts Council from taking action on the following:

- a) The appointment or removal from office of any officer for the Municipality;
- b) The hiring or dismissal of any employee of the Municipality;
- c) The disposition of any real or personal property of the Municipality which has a value exceeding \$50,000 at the time of disposal; and,
- d) Making any expenditure or incurring any other liability which exceeds \$50,000.

AND WHEREAS Section 275 (6) of the *Municipal Act, 2001*, c. 25 states that nothing in this section prevents any person or body exercising any authority of a Municipality that is delegated to the person or body prior to nomination day for the election of the new Council;

AND WHEREAS Council deems it expedient to delegate authorities to the CAO/Clerk to take action, where necessary, during the period of August 21, 2026, to November 15, 2026, should it be determined with certainty that fewer than 4 members of current Council will return to sit on the new Council.

NOW THEREFORE, the Council of the Corporation of the Municipality of Morris-Turnberry enacts as follows:

1. THAT, the Council of the Corporation of the Municipality of Morris-Turnberry delegates authority to the CAO/Clerk to take action, where necessary to perform the restricted actions listed in Section 275 (3) of the *Municipal Act, 2001* between August 21, 2026, and November 15, 2026;
2. THAT, the CAO/Clerk will report to Council on any actions taken under the authority of this delegation;
3. THAT, such delegation shall only take effect if it is determined with certainty that fewer than 4 members of current Council is to return to sit on the new Council;
4. THAT, this By-Law shall take effect and come into force immediately upon its passing.

CORPORATION OF THE MUNICIPALITY OF MORRIS-TURNBERRY

BY-LAW NO. 12-2026

Being a by-law to confirm the proceedings of the Council of the Corporation of the Municipality of Morris-Turnberry, for its meeting held on March 3, 2026.

WHEREAS Section 9 of the *Municipal Act 2001, S.O. 2001, c. 25* provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under this or any other Act;

AND WHEREAS Section 5 (3) of the *Municipal Act 2001, S.O. 2001, c. 25* provides that a municipal power, including a municipality's capacity, rights, powers and privileges under Section 9, shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS it is deemed expedient that the proceedings of the Council of the Corporation of the Municipality of Morris-Turnberry for the March 3, 2026, meeting be confirmed and adopted by By-law;

NOW THEREFORE, the Council of the Corporation of the Municipality of Morris-Turnberry enacts as follows:

1. The action of the Council of the Corporation of the Municipality of Morris-Turnberry at its meeting held on March 3, 2026, in respect of each recommendation contained in the Minutes and each motion and resolution passed and other action taken by the Council of the Corporation of the Municipality of Morris-Turnberry at the meeting, is hereby adopted and confirmed as if all such proceedings were expressly embodied in this By-Law; and
2. The Mayor and proper officials of the Corporation of the Municipality of Morris-Turnberry hereby authorize and direct all things necessary to give effect to the action of the Council to the Corporation of the Municipality of Morris-Turnberry referred to in the preceding section thereof;
3. The Mayor and CAO/Clerk are authorized and directed to execute all documents necessary in that behalf and to affix thereto the Seal of the Corporation.
