Rachel Hammermueller	The Wingham Advance Times
Bob Montgomery	The Citizen

1.0 CALL TO ORDER

Mayor Heffer called the meeting to order at 7:30 pm.

Mayor Heffer noted that the members of the press in attendance would be recording the meeting for the purpose of writing articles.

2.0 ADOPTION OF AGENDA

Motion 117-2026

*Moved by Kevin Freiburger
Seconded by Jamie McCallum*

*THAT the Council of the Municipality of Morris-Turnberry hereby
adopts the agenda for the meeting of June 16, 2026, as
presented.*

Carried.

3.0 DISCLOSURE OF PECUNIARY INTEREST / POTENTIAL CONFLICT OF INTEREST

None.

4.0 **MINUTES**

Motion 118-2026

*Moved by Jodi Snell
Seconded by Jodi Snell*

*THAT the Council of the Municipality of Morris-Turnberry hereby
adopts the June 2, 2026, Council Meeting Minutes as written.*

Carried.

5.0 **ACCOUNTS**

Motion 119-2026

*Moved by Kevin Freiburger
Seconded by Jamie McCallum*

*THAT the Council of the Municipality of Morris-Turnberry hereby
approves payment of the list of accounts as presented.*

Carried.

6.0 **PUBLIC MEETINGS AND DEPUTATIONS**

6.1 PROPERTY STANDARDS COMMITTEE MEETING

Motion 120-2026

*Moved by Jodi Snell
Seconded by Jodi Snell*

*THAT The Council of the Municipality of Morris-Turnberry hereby
adjourns their Council Meeting, to be reconvened following a
meeting of the Property Standards Committee.*

Carried.

PROPERTY STANDARDS COMMITTEE

6.1.1 Call to Order

Secretary Hallam called the meeting to order at 7:32pm and called for nominations for the position of Chair.

Motion 121-2026

*Moved by Jamie McCallum
Seconded by Kevin Freiburger*

THAT Jamie Heffer be appointed as Chair.

Carried.

6.1.2 Declaration of Pecuniary Interest

None

6.1.3 Powers of the Committee and Explanation of Process

The Secretary explained the purpose of the hearing outlined the procedure to be followed.

6.1.4 Administration of Oaths

The Secretary will administer oaths to the Property Standards Officer/By-law Enforcement officer, Bruce Brocklebank, the appellant, Joseph Matthews, and the witness for the appellant, Emma Matthews.

6.1.5 Hearing for 337 Turnberry Street, Matthews – Appeal of Order dated April 22, 2026

1. Property Standards Officer/By-Law Enforcement Presentation

Mr. Brocklebank recounted the timeline of the visits to the property and his previous conversations with Mr. Matthews.

2. Appellant's Presentation

Mr. Matthews explained to the committee that he felt the deadline for compliance was unrealistic, and the order was unclear as to what items were deemed to not comply. He noted as an example that wood is the primary heat source for the house on the property, and so a quantity of firewood must be stored on site for over a year before it is useable. He told the committee that efforts were being made to bring the property into compliance, and much of it has already been done. Ms. Matthews read excerpts from the previously submitted appeal letter for the benefit of the committee.

3. Questions from the Committee

Mr. Brocklebank provided confirmation following a question from Chair Heffer as to whether enforcement action was taken only after a complaint had been received.

Member Freiburger requested confirmation regarding the zoning of the property, as the written appeal submitted into evidence referred to the property as being rural. Secretary Hallam confirmed that the property is zoned Village Residential and is within the settlement area for Lowertown. Mr. Brocklebank clarified that the distinction is irrelevant, as the property standards by-law does not differentiate between rural and urban properties.

6.1.6 Deliberation and Decision

1. Deliberation

Chair Heffer suggested that based on productive interaction at the hearing, Mr. Brocklebank and Mr. Matthews should continue to work together to find a timeline for compliance that is acceptable to both.

Member Snell noted that the appellant had asked some pertinent questions seeking clarity on the wording of the order, and some clarification should be given. She stated that it seems that there had been some miscommunication, but as the parties seem to be willing to work together, allowing them to continue to do so would be the best course of action.

Member McCallum agreed that considering Mr. Matthews' progress towards compliance and the seemingly productive discussion at the hearing, the two parties should continue working together towards compliance.

2. Decision

Motion 122-2026

Moved by Jamie McCallum

Seconded by Jodi Snell

That in the matter of the appeal filed by Joseph Matthews against a Property Standards Order issued April 22, 2026, for 337 Turnberry Street, Wingham, the Property Standards Committee rules as follows:

That an extension for compliance with the Property Standards Order is granted for 60 days from the date of this hearing for all items in the Order.

Carried.

6.1.7 Close Property Standards Committee Meeting

Motion 123-2026

*Moved by Jamie McCallum
Seconded by Kevin Freiburger*

THAT The Property Standards Committee hereby adjourns their meeting.

Carried.

6.2 PUBLIC MEETINGS

6.2.1 Meeting To Consider Engineer's Report – Bolt Municipal Drain

6.2.1.1 Engineer's Report

Project Engineer Trevor Kuepfer presented the Engineer's report to Council and those in attendance.

6.2.1.2 Questions and Comments

- Landowners in attendance

Trevor Peel asked that Council provide their thoughts first, following which they'd could answer questions as the landowners.

Mayor Heffer asked Mike Alcock to share concerns on behalf of the Municipality. Mr. Alcock explained that he didn't agree with the work as proposed, citing the $\frac{3}{4}$ " drainage coefficient, there being on improvement to drainage, and the lack of value of the work to the ratepayers based on these two issues.

Mr. Kuepfer explained that the $\frac{3}{4}$ " coefficient was deemed adequate due to the tile system upstream being designed to approximately a $\frac{1}{4}$ " coefficient, and there being no historical drainage issues in that area. He clarified that the landowners were offered the option of increasing from $\frac{3}{4}$ " at the time of design, but felt it wasn't warranted. Asked the landowners if they wanted to upgrade, but landowners said they are not having drainage issues.

Eddison Peel noted that an abandonment had initially been requested, but as the municipality still needed outlet for the road the request was not accepted. Mr. Peel then put in the request for the enclosure.

- Council

Mayor Heffer thanked Mr. Kuepfer for the explanation of the reasoning behind the $\frac{3}{4}$ " drainage coefficient. He asked if there were there any comments from Huron County, and Mr. Kuepfer confirmed that they had been attendance at the on site meetings and were supportive of the proposal.

Councillor Freiburger asked if there were any alternatives for the design of the Keifer Line crossing. Mr. Kuepfer explained that there were not any alternatives due to the topography and the alignment of the existing drain.

Councillor McCallum asked if the answers given satisfied Mr. Alcock's concerns. Mr. Alcock noted that he and Mr. Kuepfer had discussed his concerns and length before the report was submitted, and the answers do not satisfy his concerns.

Council discussed various options including referring the report back to the engineer for amendments. Mr. Kuepfer noted that he did not believe that any changes would be made if that were to happen, as the disagreement over design between himself and Mr. Alcock is one of opinion, and is unlikely to be resolved with further discussion. Mr. Kuepfer also noted the approvals from the Department of Fisheries and Oceans for the work, which are time limited, and the landowners desire to have the work completed this year.

Mayor Heffer expressed concerns about potential increased costs for the work through the tendering process for such an immediate timeline for the work. Mr. Kuepfer agreed there may be savings in scheduling the work into next year, but that it is not certain.

Councillor Snell asked for clarification as to whether there would be any savings realized through the municipality doing the work within the right of way with its own resources. Mr. Alcock explained that there could be some savings, but that the tight timeline for completion may not work for the allocation of municipal resources.

6.2.1.3 Consideration of Provisional By-Law

Motion 124-2026

*Moved by Kevin Freiburger
Seconded by Jamie McCallum*

THAT leave be given to introduce By-Law # 33-2026, being a by-law to provisionally adopt the engineer's report for the Bolt Municipal Drain 2026, and that it now be read a first and second time this 16th day of June 2026.

Carried.

6.2.1.4 Date of Court of Revision and instruction to Tender.

Motion 125-2026

*Moved by Kevin Freiburger
Seconded by Jodi Snell*

THAT the Court of Revision for the Bolt Municipal Drain 2026 be set for July 7th, 2026 at 7:30 pm and the project be tendered with results to be presented on August 11th, 2026, pending no appeals.

Carried.

7.0 **STAFF REPORTS**

7.1 PUBLIC WORKS

7.1.1 Operations Update

A report prepared in this regard by Director of Public Works Mike Alcock was provided for the information of Council.

8.0 **BUSINESS**

8.1 TENDER RESULTS – MT-26-601 – PICK-UP TRUCK

A report was presented by Director of Public Works Mike Alcock in this regard.

Motion 126-2026

*Moved by Jamie McCallum
Seconded by Kevin Freiburger*

THAT the Council of the Municipality of Morris-Turnberry hereby accepts the tender of Leslie Motors Ltd. Wingham for a 2026 Ford F150 Crew Cab 4 x 4, Pick-Up as specified, in the amount of \$63,310.80 (excluding HST), and authorizes the Director of Public Works to execute the tender and all other required documents.

Carried.

8.2 Appointment to Court of Revision – Merkley Municipal Drain

The Council of the Township of Howick requested a member of Morris-Turnberry Council to sit on the Court of Revision for the Merkley Municipal Drain, to be held Tuesday July 14th at 11:00am.

Motion 127-2026

*Moved by Jodi Snell
Seconded by Kevin Freiburger*

THAT the Council of the Municipality of Morris-Turnberry hereby appoints Jamie McCallum to sit as the Municipality’s representative on the Court of Revision for the Merkley Municipal Drain.

Carried.

9.0 COUNCIL REPORTS

Kevin Freiburger

Attended a meeting of the Bluevale Community Committee.

Jamie McCallum

June 15th attended a meeting of the Belmore Arena Board.

Jodi Snell

Attended a meeting of the Listowel Wingham Family Health Team board.

Jamie Heffer

None.

10.0 CORRESPONDENCE, MINUTES, ITEMS FOR INFORMATION

- 10.1 Correspondence – Bill 119 – Ministry of Municipal Affairs and Housing
- 10.2 Monthly Report – Huron East Fire – May 2026
- 10.3 Monthly Report – Belgrave Water – May 2026
- 10.4 Board Meeting Highlights – AMDSB – June 9, 2026
- 10.5 Resolution – Policing Costs – Municipality of Red Lake
- 10.6 Outstanding Action Items

Motion 128-2026

*Moved by Jamie McCallum
Seconded by Jodi Snell*

THAT the Council of the Municipality of Morris-Turnberry hereby supports and endorses the resolution the Municipality of Red Lake calling on the Province to provide financial support to municipalities to offset increased policing costs, and review and reform its police grant programs to ensure a more equitable distribution of funding.

Carried.

11.0 ITEMS FOR A FUTURE AGENDA

None.

12.0 BY-LAWS AND AGREEMENTS

None.

13.0 CLOSED SESSION

None.

14.0 CONFIRMING BY-LAW

Motion 129-2026

*Moved by Kevin Freiburger
Seconded by Jodi Snell*

THAT leave be given to introduce By-Law 34-2026, being a by-law to confirm the proceedings of the Municipality of Morris-Turnberry meeting of Council held on June 16, 2026, and that it now be read severally a first, second, and third time, and finally passed.

Carried.

15.0 ADJOURNMENT

Motion 130-2026

*Moved by Kevin Freiburger
Seconded by Jamie McCallum*

THAT the Council of the Municipality of Morris-Turnberry does now adjourn at 8:42 pm.

Total Estimated Assessments								
Latronica Municipal Drain	\$ 47,390	\$ 32,520	\$ 293,350	\$ 3,540	\$ 376,800	\$ 116,710	\$ 26,380	\$ 233,710

Notes:

1. '*' Denotes Lands not eligible for ADIP Grants.
2. The Special Benefit Assessment (Sec. 24) is the increased estimated costs of enclosing the existing ditch and replacing it with a tile drainage system, less the Special Assessment under Section 26, and less the equivalent cost of two ditch cleanouts.
3. The Special Assessments (Sec. 26) shall be non-proratable assessments. All other assessments are proratable.
4. The Net Estimated Expense is the Total Estimated Assessment less Government Grants and Allowances (if applicable).

County of Huron

1 Courthouse Square, Goderich ON, N7A 1M2

www.HuronCounty.ca

huronadmin@huroncounty.ca

Corporation Of The County of Huron

To: County Council

From: Mark Nonkes, Local Immigration Partnership Manager; Chris Watson, Economic Development Officer

Date: June 24, 2026

Subject: Update on the Regional Economic Development through Immigration (REDI) program, 2026-2027 (presented by Mark Nonkes and Chris Watson)

Recommendation:

Recommended Motion:

That:

The Council of the County of Huron receive the report dated June 24, 2026 by Mark Nonkes, Manager, Local Immigration Partnership and Chris Watson, Economic Development Officer, titled Update on the Regional Economic Development through Immigration (REDI) program, 2026-2027;

And Further That:

The Council of the County of Huron supports Huron County's participation in the REDI program;

And Further That:

The Council of the County of Huron be authorized to act as the lead organization for Huron County's participation in the REDI program;

And Further That:

The Huron County Economic Development Department, in collaboration with the Huron County Local Immigration Partnership, be authorized to coordinate the County's participation in the program;

And Further That:

A by-law be drafted for June 24, 2026 authorizing the Warden and Clerk to execute the REDI agreement and all other required documentation for the participation in the Regional Economic Development through Immigration program, if successful;

And Further That:

Staff be directed to distribute a copy of this report to Huron County partner municipalities with a request for letters of support for Huron County's application for the Regional Economic

Development through Immigration (REDI) program, 2026-2027.

Background:

In May 2025, the Ontario Ministry of Labour, Immigration, Training and Skills Development's (MLITSD) Regional Economic Development through Immigration (REDI) initiative announced a continuation of the 2025 REDI pilot. The REDI initiative is designed to promote economic immigration outside of the Greater Toronto Area (GTA), with selected partner communities under this regional immigration initiative each receiving dedicated nomination allocations, helping local employers

attract and retain skilled workers.

By joining the REDI program, employers will have better access to skilled workers who already want to live and work in our region. That could potentially mean staff for farms, builders, manufacturers, care homes, hospitals, restaurants, and other local businesses (note that specific professions have not been indicated and will follow program criteria set by the province). It also helps those workers and their families settle here, so employers are not just filling jobs for today — they are building a more stable workforce for the future.

With the REDI program announcement came an Expression of Interest, inviting municipalities within the same Census Division to submit the EOI to participate in the 2026-2027 REDI program.

Information about the REDI program was presented to Huron County Council on April 23, 2025 by the Huron Chamber of Commerce, when local employers highlighted the need for increased pathways for international staff to obtain permanent residency in order to address local workforce shortages and help sustain business operations. Subsequently, on May 7, 2025, Council supported correspondence from the Huron Chamber of Commerce and its letter to provincial government representatives to request reopening and extending the REDI Immigration Pilot Program. Then in November 2025, Council wrote a letter directly to the federal Immigration, Refugee and Citizenship Canada Processing Centre advocating for, "every possible avenue to ensure that every worker's ability to continue working in our agriculture and agri-food sector is not disrupted." (see attached).

In response to ongoing workforce shortages in Huron County, and repeated requests from both newcomers to Canada and employers for the REDI program to be brought to Huron County, the Economic Development Department submitted an Expression of Interest on June 3, 2026; ahead of the June 5, 2026 deadline. The submission was completed in consultation with the Huron Chamber of Commerce and member businesses (letter of support attached to this report), Four County Labour Market Planning Board, Employment Grey Bruce Huron Perth, and Gateway Centre for Excellence in Rural Health.

As part of the next stage of the application process, County Councillors are encouraged to share this information with their local councils. Letters of support from each municipality are requested from the province to support our participation in the program. These letters will demonstrate broad municipal support across Huron County and confirm that local municipalities recognize the value of the REDI program in helping employers attract and retain workers.

If the Expression of Interest is selected and successful, the County's Economic Development Department will have the opportunity to implement the REDI program. Responsibilities to implement the program include:

- Promoting the initiative to employers and building awareness in the community, including raising employers' awareness of the opportunity.
- Vetting employers based on several eligibility criteria, working closely with them to support their labour market needs, and ensure they are fulfilling their settlement obligations related to newcomers and their families.
- Working closely with settlement service providers, employers, and other relevant community organizations to support candidates' settlement and integration.
- Building and maintaining strong program integrity capacity to detect and deter fraud.
- Reporting to MLITSD on the performance of the initiative on a regular basis, including but not limited to employer engagement, application uptake, newcomer outcomes, labour market needs, and settlement of newcomers and their families.

It is anticipated that formal notification will be provided to selected areas in August 2026.

Comments:

None.

Others Consulted:

Meighan Wark, CAO

Denise Van Amersfoort, Manager, Planning and Development

Brittany Wise, Manager, Small Business Enterprise Centre

Information Technology Impacts:

None

Financial Impacts:

The REDI program is a County-funded initiative. No additional provincial dollars are available to be put towards the program's administration.

However, it is expected that staff priorities and resources can be re-adjusted to administer the program within the existing budget with no additional financial impact on the county levy.

Privacy Impacts:

None

Climate Impacts:

None

Trevor Hallam
Chief Administrative Officer / Clerk
Municipality of Morris-Turnberry
thallam@morristurnberry.ca

Dear Trevor Hallam:

On behalf of the Honourable Julie Dabrusin, Minister of the Environment, Climate Change and Nature, I am responding to your correspondence of May 20, 2026, concerning the Council of the Municipality of Morris-Turnberry Resolution 99-2026, passed on May 19, 2026, concerning the Government of Ontario's proposed consolidation of regional conservation authorities.

Please be assured that your correspondence has been carefully reviewed.

Thank you for taking the time to write.

Sincerely,

Lisa St-Amour
Manager
Departmental Correspondence Unit

Coalition for Huron Injury Prevention: CHIP

Tuesday, March 10, 2026

Agenda

1:30 p.m. – 3:30 p.m.

Huron Perth Public Health
Clinton Site
77722B London Rd., ON N0M 1L0
Room 2 (CL2)
Virtual: [Join the meeting now](#)

Present: Laura Edgar, Kristy Kastelic, Craig Soldan, Jodi Snell, Wayne Forster, Greg Lamport, Wyatt Carey

Regrets: Andrew Maver, Ric McBurney, Gloria Wilbee

Minute Taker: Kristy Kastelic

1. Welcome and call to order by Chair

2. Approval of the Agenda

- March 6th changed to March 10th
- 5.3 Burn Out Safety Plan changed to 5.3 Stunt Driving Safety Planning

Motion to approve: Jodi

Seconded: Craig

Disposition: Passed

3. Review of Minutes of December Meeting

Motion to approve: Jodi

Seconded: Wayne

Disposition: Passed

4. Financial Reports and Updates (HPPH)

Current balance \$3,534.22

- Financial Report in agenda package.
- All financial transactions for the Off-Road Vehicle Mapping Project have taken place
- \$500 from Victim Services was received for use towards the Off-Road Vehicle Mapping Project
- Cost of 1 h of time from Huron County GIS department

Motion to approve: Craig

Seconded: Wayne

Disposition: Passed

5. Business Arising

5.1 Off-Road Vehicle Mapping Project

a) Distribution & Launch

- Printing has been completed done and printed
- All present municipal partner members to take a bundle
- Wyatt to distribute remaining municipal bundles at upcoming Huron County Road Super Association meeting

- Laura distributing to libraries (via Admin Office / distribution system)
- OFATV committed to posting the Off-Road Vehicle Map on their website bylaw page
- Laura to follow-up with each municipality to provide background on the project, and optional materials for online communications

5.2 Road Safety Collaborations beyond 2026: Review & Renew

a) Environmental Scan of Road Safety Groups in Ontario (in progress)

- Environmental Scan has been distributed
- Goal: to understand what is being done by road safety groups across the province and what might service CHIP to improve effectiveness and reach
- CHIP members completed the Environmental Scan as a group

b) CHIP member(+) Survey (in development)

- Laura is developing a CHIP membership survey
- To be distributed to each member and to each member organization for a broader perspective
- Distribution Goal: distribute prior to and create report of results prior to next CHIP meeting in June
- The results will be used to improve how CHIP operates

5.3 Stunt Driving Safety Planning

- Greg to draft a letter of support on behalf of CHIP to the Zurich Bean Festival
- Letter of support will include a reminder as to the dangers of stunt driving and express support for a safe event
- Craig shared that paid duties for the festival is an available option from OPP

5.4 Huron-Perth MVC Data Project Update

- HPPH has recently purchased 10-year Motor Vehicle Collision (MVC) data from MTO
 - o HPPH is working towards creating a public facing dashboard
- Huron County now has access to 5-year MVC data through MTOs Authorized Requestor Information System (ARIS)
 - o Huron County has developed an internal-facing heat map for collision spots and intersections

6. Organizational Round Table Updates

6.1 ACW

- 6.1.1 Budget will be reviewed this Friday. No other updates.

6.2 Bluewater

- 6.2.1 Inquiring about the possibility to drop the speed limit at Hwy 21 and County Road 84. Kristy to inquire about an MTO contact.

6.3 Huron East

6.4 Huron Perth Public Health

- 6.4.1 Ontario Public Health Standards revisions on-hold. All other business has been covered.

6.5 Huron County Public Works

6.6 Huron OPP

6.6.1 No update.

6.7 Ministry of Transportation Ontario

6.7.1 No update.

6.8 Morris-Turnberry

6.8.1 Attended ROMA in January. Joined a breakout room that discussed rural road safety. Topics included roundabouts v stop signs, wide vs narrower roads, auto drive vehicles and road lines, sign clustering, and sign design (more visual, less words).

6.9 North Huron

7. New Business

7.1 Local partner project updates

- 7.1.1 Revive Fund – Huron OFA – Give Space, Pass Safe bumper sticker
- Laura showed the group the new stickers
 - They're point-of-decision reminders
 - Project through Huron County Federation of Agriculture (HCFA) funded through OFAs REVIVE fund
 - A few members to take a couple each to distribute at upcoming events and to appropriate groups
- 7.1.2 Community Safety and Wellbeing
- Noted planned social media on road safety topics for 2026

7.2 Roundabout Communications

- Upcoming projects likely will not be installed this year
- Potential for public education on roundabouts in the future

8. Correspondence & FYIs

8.1 Nothing received

9. Meeting Summary:

- 1) ORV maps printed and distributed
- 2) Environmental Scan distributed to committees and groups province wide
- 3) Stunt Driving Safety Plan

10. Next meeting: June 9, 2026, in-person at the Health Unit, Clinton

Minutes Taker: Bluewater

Motion to Adjourn: Craig

Seconded: Wayne

Disposition: Passed

Meeting adjourned 3.07pm

Future meeting dates:

Good News

Congratulations to Students (Graduations and Other Milestones)

Vice Chair Patricia Smith and Chair Michael Bannerman highlighted that trustees are busy attending celebrations and graduations at schools across the district.

For the Centre for Education and Learning, Chair Bannerman attended the ceremony in Stratford and Trustee Robert Hunking attended the ceremony in Goderich.

Trustees expressed sincere congratulations to all students who are transitioning from school to school, from elementary to secondary, or graduating and moving on to their next phase of life. Wishing you all the best!

Trustees Celebrate Staff Retirements, Years of Service and iAM Making an Impact Recipients

Chair Michael Bannerman was pleased to share that on June 10, trustees and senior staff welcomed almost 60 retirees, staff who were being acknowledged for 30 or more years of service, and iAM Making an Impact recognition recipients. This year, 4 initiatives were acknowledged:

Amy Crummer (Mornington Central Public School)

Nominated by: Natasha Tousignant, Jennifer Abbinett and Deborah Jagger

Amy was nominated for demonstrating a strong dedication to student achievement, supporting families, and staff learning. She also shows exemplary leadership in fostering a supportive and welcoming school culture. Her commitment to education is evident through her efforts to increase enrollment at Mornington and in introducing the Soft Start program.

Carina De Sapio and Jason LeRoux (Stratford Intermediate School)

Nominated by: Erin Cassone, Jenna Lange, Tim Bickell, Tracey James, Sherry Key, and Amy Mercer

Their impact involves dedicating extra time to a variety of before-school, at lunch, and after-school extracurricular activities for students that foster connections and well-being, build leadership skills, and provide opportunities for students to share their talents with the community.

Dea Hanlon (Exeter Elementary School)

Nominated by: Lori Dingwell and Katie Padfield-Jackson

Dea was nominated for consistently going above and beyond her regular duties through initiatives and professional practices that elevate student learning, strengthen inclusive school culture, and deepen connection with families and the broader community. Her commitment to strengthening inclusive school culture is evident in her work with the Exeter Elementary Sign Language Club, Bracelet Club, and her support of diverse learners within her classroom.

Marc Robinet (Education Centre)

Nominated by Tereasa Zizek, Michelle Heeley, Burt, Alicia McCreight, Margaret Sharen, Marie McDade, and Connie Trotter

Marc consistently goes above and beyond to provide exceptional service and problem-solving to make sure that time-sensitive resources are at each location to support schools, ensure staff can do their work without disruption, and students are prepared to learn. His commitment is evident through his partnership with the Grand Bend Rotary Club to identify, transport, and organize donations of educational items for international initiatives as part of the Global Literacy Project.

Congratulations to all four very deserving recipients!

Tractor Day

Trustee Sheila Armstrong-Marshall shared that she, along with CEO Graham Shantz, attended "tractor day" at St. Marys DCVI, where students drove their tractors to school for the day. The event is a celebration of our local farms and agricultural industry. Students and staff also enjoyed hot dogs and hamburgers

cooked on a custom smoker made right in the DCVI tech shop (photo below)! Note: A number of other schools across AMDSB host similar events.

North Woods ES Celebrates New Playground Installation

Trustee Deb Logue shared that North Wood ES recently opened their new playground. The purchase and installation was supported by a number of fundraising efforts, led by the school council, and achieved in less than two years! Students were thrilled to experience the new feature!

Board Approves a Balanced 2026/2027 Budget

The Board of Trustees received and approved the 2026/2027 Budget. The fiscal review process continued, where the primary goal was to maintain AMDSB's balanced budget. The operating budget presented includes operating revenues and transfers of reserves of \$264,040,793 and operating expenses of the same. The capital budget approved includes capital spending of \$16,421,833. The full budget package is posted on the [Budget & Finances page](#).

Spring Athletics Update

Superintendent Paul Langis shared that students across the district have been busy with athletics. Here are a few of the highlights:

Rugby

- Girls and Boys, FE Madill SS - hosted a great tournament in Stratford
- Special congratulations to Naomi Campbell who represented student voice (WOSSAA rep for OFSAA)

Slo-pitch

- Girls, South Huron DHS - OFSAA participants

Soccer

- Senior Boys, South Huron DHS - OFSAA participants

Track and Field

- Myles Clinton, St. Marys DCVI - OFSAA Bronze in open boys 2000m steeplechase
- Angel Lovaton Puga, Listowel District SS - WOSAA Silver and 4th at OFSAA in 800m para-athletic division for students with visual impairments

Days of Significance Wrap-Up (June)

Schools celebrated important days throughout the month of June. The video below provides a sampling of these activities!

Future Board Meetings

Regular Board Meetings are held in person unless otherwise noted. Links to join the Regular Board meetings online will be posted on the [Board Meeting page](#) the day before the meeting.

- Tuesday, September 8, 2026 at 4:45 p.m. Regular Session, followed by Committee of the Whole, Closed Session
- Tuesday, September 22, 2026 at 4:45 p.m. Regular Session, followed by Committee of the Whole, Closed Session

Future Meetings/Events with Trustee Representation

- Nothing scheduled at this time

RE: Fire Department of North Huron - Fire Chief's Monthly Report

To: CAO Trevor Hallam

From: Chad Kregar, Fire Chief – Fire Department of North Huron

Date: June 17, 2026

Subject: 2026 Monthly Fire Report

Fire Call Summary – May 2026

Total Calls: 14

Number	Date	Response Type	Location
26-056	May 3 26	MVC	North Huron
26-057	May 5 26	MVC	Central Huron
26-058	May 8 26	Medical	North Huron
26-059	May 10 26	False Alarm - Fire	North Huron
26-060	May 10 26	MVC	North Huron
26-061	May 11 26	MVC - Entrapment	North Huron
26-062	May 12 26	Medical	North Huron
26-063	May 14 26	MVC	North Huron
26-064	May 17 26	False Alarm - Fire	North Huron
26-065	May 23 26	False Alarm - Fire	North Huron
26-066	May 23 26	Mutual Aid - Lucknow	Bruce County
26-067	May 25 26	Medical	North Huron
26-068	May 26 26	False Alarm - Fire	North Huron
26-069	May 30 26	False Alarm - Fire	Morris Turnberry

Note - There was one call for service in the coverage area provided by North Huron into Morris-Turnberry during this reporting period.

Significant Incidents

During the month of May, there were no significant incidents or events requiring special reporting. Fire Department of North Huron personnel continued to provide emergency response services, training, equipment maintenance, and public education activities as part of normal operations.

The department remained focused on maintaining operational readiness while continuing firefighter training and ensuring all apparatus and equipment were prepared for emergency response.

May Training Report

Training activities during the month of May were heavily focused on preparing members for upcoming provincial certification testing and ensuring compliance with the July 1, 2026, certification requirements. A significant amount of time and resources were dedicated to supporting our new recruit firefighters as they prepared for their Firefighter 1 practical and written examinations. In addition, 10 firefighters worked toward completing Hazardous Materials Awareness and Operations certification requirements through both classroom and practical training sessions.

Training throughout the month covered a broad range of firefighting skills and emergency response competencies. Members participated in hands-on evolutions involving passenger vehicle fires, including fire attack tactics, scene safety considerations, and suppression techniques. Firefighters also completed Class A fire suppression and overhaul training, focusing on extinguishment methods, identifying hidden fire extension, and ensuring scenes were safely returned to service.

Additional training was completed in air monitoring operations, allowing members to gain experience using atmospheric monitoring equipment to identify hazardous environments and support safe operational decision-making. Emergency response procedures were reviewed and practiced, including call initiation, apparatus response, scene size-up, communications, and incident management principles.

Practical training was also conducted on scene lighting operations, ensuring firefighters are proficient in establishing safe and effective work areas during nighttime and low-visibility incidents. Members reviewed hose and appliance operations, including hose deployment, water supply considerations, appliance selection, and advancing attack lines under simulated emergency conditions.

Search and rescue training remained a key focus throughout the month, with firefighters practicing victim location techniques, firefighter accountability, communication procedures, and coordinated rescue operations within simulated emergency environments. These evolutions helped reinforce teamwork, situational awareness, and operational effectiveness during high-stress incidents.

In addition to emergency response training, firefighters completed regular station duties, apparatus inspections, equipment maintenance, and operational readiness checks. These activities included ensuring all firefighting equipment, tools, SCBA, medical supplies, and apparatus remained in a state of readiness for emergency response.

The commitment shown by our members throughout the month was exceptional. While maintaining emergency response coverage for the community, firefighters dedicated considerable time to training and certification preparation. Their hard work and dedication have positioned the department well as we continue to work toward full compliance with provincial certification requirements while maintaining a high level of service to the residents of the communities.

May 2026 Budget Update

During May, the Fire Department of North Huron continued to operate within the approved 2026 operating and capital budget.

Department expenditures and activities remained routine for this reporting period, with no significant budget impacts or capital purchases to report.

Regular operational expenses such as training, equipment maintenance, and general department operations continued as planned in accordance with the approved municipal budget and purchasing policies.

Equipment & Maintenance Updates

Maintaining a reliable and operational fleet remains a priority for the Fire Department of North Huron. Throughout the month of May, staff and firefighters continued to complete routine apparatus inspections, preventative maintenance, equipment servicing, and station checks to ensure all emergency response equipment remains in a state of readiness.

During the month, all frontline apparatus successfully completed their annual pump testing requirements. These tests verify the performance and reliability of fire pumps, ensuring they are capable of delivering the required water flow and pressure during emergency operations. I am pleased to report that all apparatus pumps met the required testing standards and passed their annual evaluations.

The department also completed annual ladder testing on all ground ladders and aerial equipment. This testing is critical to ensuring firefighter safety and verifying that equipment continues to meet applicable standards and manufacturer specifications. During the testing process, an issue was identified with the pump system on Ladder 2. While the aerial and ladder functions of the apparatus remain fully operational and available for emergency response, further investigation is underway to determine the extent of the issue and the required repairs. Staff are currently working with qualified service providers to evaluate available repair options and associated costs. At this time, Ladder 2 remains in service and continues to provide aerial capabilities for emergency incidents.

In addition to annual testing, firefighters completed regular inspections of hose, nozzles, portable pumps, generators, medical equipment, self-contained breathing apparatus (SCBA), communications equipment, and rescue tools. These inspections help identify potential issues before they impact emergency operations and contribute to the overall reliability of the department's equipment inventory.

Tanker 4 was temporarily placed out of service for approximately half a day after a worn maxi brake chamber was identified during routine maintenance activities. The issue was addressed promptly, and the necessary repairs were completed the same day. The apparatus was returned to service with minimal impact on operational readiness and emergency response capabilities.

The department will continue to focus on preventative maintenance, equipment inspections, and timely repairs to ensure apparatus and equipment remain safe, dependable, and ready to respond when called upon. These ongoing efforts help protect the significant investment made in fire apparatus and equipment while ensuring firefighters have the tools necessary to provide effective emergency services to the residents of the community.

Fire Chief's Update

Huron County Fire Chiefs continue to meet on a monthly basis, maintaining strong collaboration and open communication across all fire departments within the County. These meetings provide an important forum for discussing operational matters, sharing best practices, coordinating joint training initiatives, and ensuring consistent service delivery standards across municipal boundaries.

In addition to attending the monthly Fire Chief meetings, I have participated in five emergency management exercises this year, including the Huron County Emergency Management Exercise in my role as Huron County Fire Coordinator. These exercises provide valuable opportunities to review emergency plans, strengthen partnerships, and ensure preparedness for a variety of emergency situations.

Closing Remarks

As we move further into 2026, I would like to acknowledge the continued commitment and professionalism demonstrated by the members of the Fire Department of North Huron. The dedication shown by our firefighters through training, equipment maintenance, and emergency response reflects a strong culture of service, accountability, and pride within the department.

I am proud of the progress we are making in strengthening our operational readiness and responsibly advancing our long-term sustainability. We continue to focus on firefighter safety, consistent training, and maintaining reliable equipment to ensure dependable service delivery.

It remains my priority as Fire Chief to support our members and ensure we continue building a professional, well-trained, and well-equipped department that our community can rely on.

CORPORATION OF THE MUNICIPALITY OF MORRIS-TURNBERRY

BY-LAW NO. 35-2026

Being a by-law to confirm the proceedings of the Council of the Corporation of the Municipality of Morris-Turnberry, for its meeting held on July 7, 2026.

WHEREAS Section 9 of the *Municipal Act 2001, S.O. 2001, c. 25* provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under this or any other Act;

AND WHEREAS Section 5 (3) of the *Municipal Act 2001, S.O. 2001, c. 25* provides that a municipal power, including a municipality's capacity, rights, powers and privileges under Section 9, shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS it is deemed expedient that the proceedings of the Council of the Corporation of the Municipality of Morris-Turnberry for the July 7, 2026, meeting be confirmed and adopted by By-law;

NOW THEREFORE, the Council of the Corporation of the Municipality of Morris-Turnberry enacts as follows:

1. The action of the Council of the Corporation of the Municipality of Morris-Turnberry at its meeting held on July 7, 2026, in respect of each recommendation contained in the Minutes and each motion and resolution passed and other action taken by the Council of the Corporation of the Municipality of Morris-Turnberry at the meeting, is hereby adopted and confirmed as if all such proceedings were expressly embodied in this By-Law; and
2. The Mayor and proper officials of the Corporation of the Municipality of Morris-Turnberry hereby authorize and direct all things necessary to give effect to the action of the Council to the Corporation of the Municipality of Morris-Turnberry referred to in the preceding section thereof;
3. The Mayor and CAO/Clerk are authorized and directed to execute all documents necessary in that behalf and to affix thereto the Seal of the Corporation.
