or Organic
Materials
(empty all containers)

No Clothing
or Linens
(use donation
programs)

No Tangles
(no hoses,
wires, chains,
or electronics)

Do not include any items just because they are made or contain paper, metal, plastic or glass.

Starting in **August** the Automated Collection Truck will begin collecting the "Wheelie" Bins in the Morris-Turnberry rural areas on one side only. No changes in Hamlets. Using the bins is as easy as **1-2-3!**

1 Collect.

Collect all your materials inside your home!

TIP: Gather your recyclable materials using your blue box. See the lid of your new bin for acceptable materials. Use small kitchen catcher type bags around the house to capture waste where ever it is generated.

2 Empty.

Empty the blue box contents into the Blue recycling bin.

Place your kitchen catcher bags directly in the Black waste bin.

TIP: Place all the recyclable items loose in the bin. Do not bag or tie anything to help us separate better with the exception of plastic bags and shredded paper which should be bagged before being placed in the bin. Trash may be bagged in bags if you wish.

3 Set Out.

Set out your "wheelie" bins at the road when full (or almost)

TIP: The "wheelie" bins should be placed at least **3 feet away from any other objects** with the wheels and handle pointing towards the house and the lid opening towards the road. The truck arm can reach up to 12 feet. Rural collection is done on one side of the road only, the same side as always or which ever side the driver leaves the bins.

If in doubt, leave it out and check it out
at www.bra.org/material-guide

If you have ANY questions about the program or your "wheelie" bins, please visit our site at www.bra.org where you will find useful information on all aspects of the automated collection program. Alternatively, contact us at **1.800.265.9799** or info@bra.org
